

SEQ Rail Stabling Program – Woombye night work

CPB Contractors is carrying out works to test the Woombye stabling facility's CCTV security system between **Monday 27 and Thursday 30 March 2017**.

This work will be undertaken at night using the facility's lighting to enable the CCTV cameras to be focussed for night recording.

Overview of work

Location	Dates and hours of work	Type of work
Woombye stabling facility construction site, between Back Woombye Rd and Taintons Rd	From 6pm until midnight each night: <ul style="list-style-type: none">Monday 27 MarchTuesday 28 MarchWednesday 29 MarchThursday 30 March.	CCTV camera testing: <ul style="list-style-type: none">Use of facility lighting (between 50 and 100 per cent illumination levels)Essential personnel only.

The Project Team will endeavour to minimise the impact of works on neighbouring residents as much as possible. This includes:

- Toolbox talks with work crews to remind them of out-of-hours work protocols e.g. no unnecessary shouting, whistling, beeping car horns.

We appreciate your patience during the construction period and will continue to update you as work progresses.

Who can I contact?

If you have any questions or would like to register for more information, please contact the Project Team on 1800 783 334 (free call) or stabling@qr.com.au. **During out of hours activities CPB Contractors can be reached on 1800 783 334 (press 1).**
