

Vegetation removal notice

Monday 13 September 2021

Queensland Rail will carry out vegetation removal to allow electrical works to be completed, as part of the Cannon Hill station upgrade.

One shrub in the southern carpark near the Cannon Hill depot will be removed on **Monday 13 September**.

 Shrub to be removed

The shrub will be inspected to ensure there are no nesting animals prior to any clearing activities taking place.

We thank you for your patience as we build you a better Cannon Hill station.
