

# Milton station subway closure

## From Monday 10 June until mid-September 2019

Queensland Rail will upgrade the pedestrian subway at Milton station between June and September, during which time the subway will be temporarily closed. We are working to improve the subway and make it safer for customers and the local community.

During this time:

- station access from the subway end will be via Platform 4 from Milton Road or on the opposite side of the station on Railway Tce
- the subway tunnel under the rail corridor will be closed, including the stairs up to Platforms 2 and 3
- the access to Platform 1 via Park Road will be closed and we advise customers to use the entry on Platform 4 (via Milton Road) or on Railway Terrace
- the footpath under the rail bridge on Park Road (station side) will be partially closed, though available for use
- the subway access under Milton Road (owned by Brisbane City Council) will remain open.

We apologise for any inconvenience and appreciate your patience as we work to improve your station.

For more information, please see station staff, call **13 16 17** (business hours) or email [customerfeedback@qr.com.au](mailto:customerfeedback@qr.com.au)
