

Boondall station accessibility upgrade

WORKS NOTICE

Night and weekend works – Boondall station closure

11.30pm Friday 2 to 4am Monday 5 August 2019

As part of the Boondall station accessibility upgrade, continuous works will be undertaken at the station from **11.30pm Friday 2 until 4am Monday 5 August 2019**.

During this time there will be no rail services stopping at Boondall. All other Shorncliffe line services will continue as scheduled.

A further two closures are planned for the weekends of 7-8 September and 19-20 October, which will allow uninterrupted access to raise platforms without disrupting services on the wider Shorncliffe line. These intensive works are a critical step towards project completion.

A shuttle bus will operate every 30 minutes to transport customers to and from North Boondall station, providing a connection to scheduled rail services. Please allow an additional 30 minutes for travel, alternatively you may consider using North Boondall or Nudgee stations if convenient.

Aberdeen Parade will be open, under stop/go traffic control conditions. Please observe the changed conditions. Access to private properties will be maintained at all times.

For the safety of the public, there will be no access to the station, however the existing footbridge will remain open to pedestrians crossing the rail corridor.

Scheduled night/weekend work

Location	Dates and hours of work	Type of work
Boondall station Platforms and facilities (closed) Footbridge (open)	11.30pm Friday 2 to 4am Monday 5 August (continuous works)	Station upgrade works involving: <ul style="list-style-type: none">platform works including excavationheavy machinery and trucks with flashing lights and reversing beepershand-held tools and powered equipmentmovement of people and vehicles around the station precinctportable lighting.

Every effort will be made to minimise disruption and we apologise for any inconvenience as we work to improve your station.

For more information about the accessibility upgrade, please contact the project's community team during business hours on **1800 722 203** (free call) or email stationsupgrade@qr.com.au

We are moving towards paperless notifications about noise and works. You will still see paper notices as we transition to the new system. Sign up at queenslandrail.com.au/EmailNotification or contact us if you prefer to receive paper copies.
