

27 November 2015

Dear resident,

WOOMBYE STABLING FACILITY

Based on community feedback, Queensland Rail has prioritised elements of the Woombye stabling facility detailed design and is able to make this available in December.

Queensland Rail invites the community to view these aspects of the design and discuss them with the team responsible for the design and construction of the facility.

Community drop-in session

Date: Sunday 6 December 2015

Time: Drop-in anytime between 10:30 am – 12:30 pm

Location: CWA Park, Park Street, Woombye

Queensland Rail is committed to keeping the community informed and up-to-date throughout this project.

The local insight and feedback we collect during these activities is invaluable and will assist us with project delivery planning.

If you are unable to attend this session or would like to receive further information about the project, please contact us by phoning 1800 783 334, emailing stabling@qr.com.au or visiting www.queenslandrail.com.au/stabling

Kind Regards,

The Project Team
South East Queensland Rail Stabling Program
