

Timber bridge replacements

Grantham

Noise notice – March / April 2019

Queensland Rail is replacing 18 rail bridges between Ipswich and Chinchilla with more durable steel structures, to improve the safety and reliability of our network.

Continuous works will be undertaken during a scheduled track closure in April to replace the timber bridge located east of Nunns Road in Grantham. These works will be undertaken on a 24-hour basis while there are no services using the rail line, in order to minimise impact for our customers.

Prior to this closure, works will be undertaken during daytime hours to prepare the bridge for replacement.

Overview of work

Location	Dates and hours of work	Type of work and impacts
Rail bridge east of Nunns Road at Grantham (see map overleaf)	Monday 11 until Friday 15 March 2019 Monday 1 until Friday 12 April 2019 6.30am to 6.30pm <i>Weather and construction conditions permitting</i>	Site preparation works including piling, delivery of materials and installation of bridge supports. This includes the use of heavy machinery including a crane, piling rig, excavator and trucks with reversing beepers and flashing lights.
	7am Saturday 13 to 6pm Tuesday 16 April 2019 Continuous works.	Removal of existing rail, ballast and bridge and installation of a new structure along with replacement of rail and ballast.
