

Weekend works

Indooroopilly rail bridge Saturday 10 and Sunday 11 May 2025

What?

Queensland Rail will undertake weekend and after hours works as part of refurbishment and repainting works on the Indooroopilly rail bridge. These works are being undertaken during a scheduled weekend track closure.

When?

Weekend and after hours works will be carried out **from 5am Saturday 10 until 9pm Sunday 11 May** (around-the-clock).

Where?

Works will mainly occur on the central section of the Indooroopilly Bridge (steel rail bridge between the Walter Taylor road bridge and the Albert rail bridge). Residents may notice the operation of equipment, including sand blasting, generators and compressors. There may be an increased presence of personnel and vehicles in the work compounds (beneath the bridge) on either bank of the river.

Impacts

Trucks around work compounds with flashing lights and reversing beepers

Around-the-clock works

Surface preparation and painting (sand blasting, generators, compressors) and powered tools

Lighting towers in use at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding during these important works. Works may be subject to change due to weather conditions and operational requirements.
