

Station Accessibility Upgrade Program

East Ipswich station drop-in sessions

Queensland Rail would like to invite the local community to attend a drop-in session at East Ipswich station to view the concept designs for the station accessibility upgrade.

Dates:	Times:
Thursday 5 December 2019	5pm to 7pm
Tuesday 10 December 2019	6am to 8.30am

Queensland Rail representatives will be at the drop-in sessions to share the station concept designs, which have been updated following community feedback, and answer any questions about the upgrade.

The East Ipswich station accessibility upgrade is part of the Queensland Government's \$357 million investment to upgrade stations to make them accessible for all customers.

If you are unable to attend a session, the concept designs will be available at the station office or online at queenslandrail.com.au
