

PLANNED LIFT OUTAGE

Lindum station

Wednesday 17 to Friday 19 September

Queensland Rail will carry out a planned outage of the lifts at Lindum station between **9am and 2:30pm**, from **Wednesday 17 to Friday 19 September**.

Only one lift will be out at any time.

The station footbridge will be available (stair-only).

Customers travelling towards Cleveland, requiring the lift, should use Manly and change to an inbound service for Lindum.

Customers travelling towards the city can exit Lindum using the station's accessible ramp. Cross-corridor access (to North Road) will be via the level crossing.

Please see station staff for assistance and plan your journey at translink.com.au

We apologise for any inconvenience and appreciate your understanding while we carry out this work.

For more information, please see station staff, call **13 16 17** (business hours) or email customerfeedback@qr.com.au
