

After hours works Lindum station

What?

Queensland Rail will undertake after hours works during a scheduled weekend track closure as part of the Lindum station accessibility upgrade.

Activities include the operation of large cranes and the demolition of the old station building.

When?

Around-the-clock (continuous) works will be undertaken **from:**

- **6am Saturday 6 until 10pm Sunday 7 July 2024.**

In order to maintain an exclusion zone for safety, some demolition must be undertaken between 9pm Saturday night and 6am Sunday morning. Remaining demolition activities have been scheduled during day shift.

Where?

Works will be occurring throughout the Lindum station precinct, including station carparks, platforms and rail corridor.

Impacts

Operation of large cranes, trucks, machinery and equipment with flashing lights and reversing beepers

Around-the-clock weekend works

Construction noise, demolition, operation of large cranes, machinery, hand and powered tools

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding as we build you a better Lindum station. Works may be subject to change due to weather conditions and operational requirements.
