

Early morning works

Lindum station

5am, Monday 23 June 2025

What?

Queensland Rail's contractor has scheduled concrete activities in the northern park 'n' ride (off Eccles Street) from 5am Monday 23 June.

We apologise for the early start, which is necessary due to concrete availability and the cooler temperatures.

When?

Early morning concrete pour **from 5am on Monday 23 June.**

Where?

Concrete pumping activities in the northern park 'n' ride expansion site (rail corridor near Eccles Street and Euston Street).

Concrete will be delivered to site via Eccles Street.

Traffic management may be in operation on local streets to assist safe access to the work site.

Impacts

Movement of concrete pumping trucks and vehicles with flashing lights and reversing beepers

Operation of concrete pumps, machinery and powered tools

Out of hours (early morning) works

Traffic management

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Lindum station. Works may be subject to change due to weather conditions and operational requirements.
