

Night activities

Lindum station

What?

Queensland Rail's contractor will undertake lift installation activities at night at Lindum station.

When?

Night works (lift installation activities) will occur **4pm until 6am the next day from Monday 2 until Wednesday 18 December 2024** (Monday to Friday, up to 13 nights).

We apologise for the late scheduling of these activities.

Where?

Activities will mainly be confined to the station's new lift shafts and are not expected to be noisy.

Project personnel will be present throughout the worksite (station precinct and carparks) and lighting towers will be in use overnight.

Impacts

Project vehicles with flashing lights and reversing beepers

Night works (Mon-Fri), 4pm-6am the next day

Lift installation activities and personnel on-site

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding as we build you a better Lindum station. Works may be subject to change due to weather conditions and operational requirements.
