

Morningside station

Temporary carpark closures

Morningside station carpark will be temporarily closed to facilitate station upgrade works during planned track closures of the inner city and Cleveland lines on the following dates:

- **Saturday 24 and Sunday 25 May**
- **Saturday 7 and Sunday 8 June.**

The footbridge will remain open during this time to facilitate cross corridor connection for the community.

We appreciate your patience while we finalise the upgrade of your station.
