

Extended carpark closure and footbridge access changes

From Monday 29 January 2024

From Monday 29 January, a large area within the Morningside park 'n' ride will close to facilitate major station upgrade works.

The footbridge will remain open (stair use only) however, pedestrian access will be limited to the northern end of the station precinct and no longer through the carpark.

The carpark closure and access changes will remain in place until the second half of 2024, when the station reopens to customers.

Please follow the direction of traffic controllers and signage in place, to safely access the carpark and footbridge during this time.

We appreciate your cooperation and patience while we work towards building you a better station.

For more information, please contact the project team on free call [1800 722 203](tel:1800722203) or email stationsupgrade@qr.com.au
