

Morningside station accessibility upgrade

Works complete!

You'll find the new and improved station is more accessible and easier to use for a more seamless journey on our network.

The new modern station features:

A new footbridge with lift, ramp and stair access

Upgraded hearing augmentation loops and tactile ground surface indicators

Lighting and CCTV throughout the station and carpark

40 bicycle lock up enclosure with new security swipe access

Full length high-level platforms

Accessible toilet

New wayfinding and platform signage

Accessibility-compliant ticket window

Upgraded station office and facilities

New kiss 'n' ride drop off zone

Four accessible car parks

Improved seating and extended platform shelters

Nine motorcycle parking bays

Carpark with space for 160 cars

Lift access to platforms

Accessibility compliant ticket window

Full length high-level platforms

New kiss 'n' ride drop off zone

Accessible parking

Footbridge accessible by lifts and stairs

At Queensland Rail we aim to proactively engage with our customers and Queensland communities through a variety of channels.

With the aim to continually improve the way we keep our community informed about our works, we invite you to provide feedback on your experience with our communications about the Morningside station accessibility upgrade.

Please scan the QR code to take part in a five minute survey to share your feedback on how we communicate with you.

**Thank you for your support during the upgrade.
We hope you enjoy your new station.**

This upgrade is part of Queensland Rail's investment to make stations more accessible. In the latest program of works we also upgraded Buranda, Banyo, Lindum, Bundamba and Burpengary.

For more information, please contact the project team on free call [1800 722 203](tel:1800722203) or email stationsupgrade@qr.com.au.
