

Works notification

Morningside

Why?

Queensland Rail will carry out underground service and geotechnical works at Morningside station, including drilling and earthworks, to assist with the future station upgrade.

When?

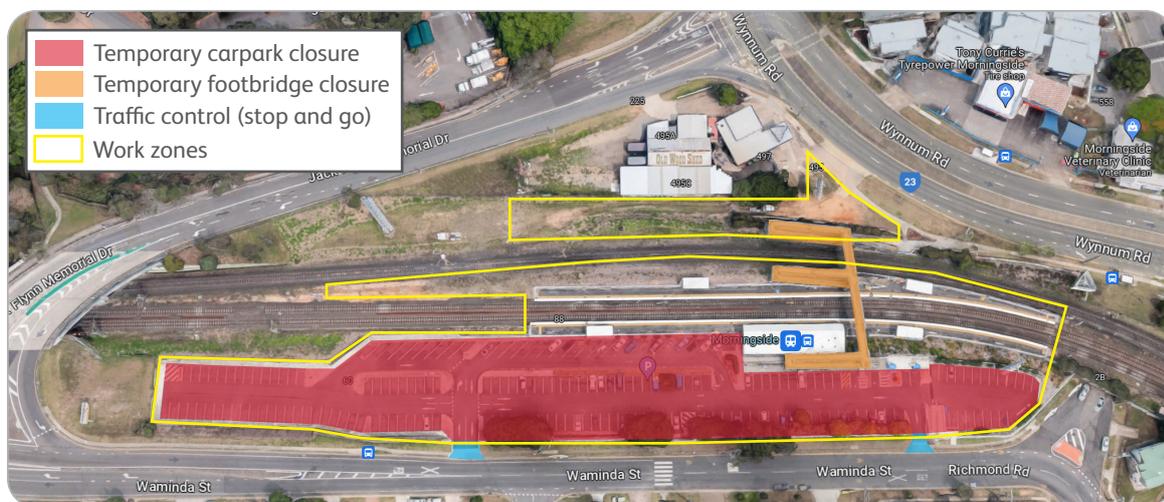

Works will occur between:

- **3am and 6.30am on Friday 14 July** - for the delivery of equipment and material in the station carpark, via Waminda Street
- **6am and 6pm on Saturday 15 July and Sunday 16 July** (over two days) - underground service and geotechnical works.

Where?

Works will be occurring at Morningside station. Stop and go traffic control will be in place at the Waminda Street station carpark entrance and exit, to assist work vehicles with carpark access and direct road users as required. A footbridge, carpark and station closure will be in place temporarily to facilitate this work.

Impacts

Machinery and construction noise

Stop and go traffic control (as required)

Out of hours and weekend works

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work to improve our network.

Works may be subject to change due to weather conditions and operational requirements.
