

# Works notification

## Morningside

### Why?

Queensland Rail will continue the demobilisation of site offices from Morningside station. The site offices will be lifted out by crane and placed on trucks for removal.

Temporary lane closures will be required on Waminda Street to facilitate the loading of the buildings onto trucks. Traffic control will be in place during the day to ensure safe movements of traffic during the temporary lane closure.

### When?

Preparation works will commence from Monday 12 May with the crane and lane closure impacts occurring on Wednesday 14 and Thursday 15 May.

Works will occur between 6am and 6pm each day.

### Where?

Works will be occurring at the Morningside station site office precinct adjacent to Waminda Street and there will be lane impacts in Waminda Street.

### Impacts

Crane operations

Traffic control for temporary lane closures

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work to build you a better station.

Works may be subject to change due to weather conditions and operational requirements.
