

Works notification

Morningside

Why?

Queensland Rail will carry out after hours works at Morningside station, as part of the station accessibility upgrade including:

- testing of the station lighting system on Tuesday 17 December, during which time there will be bright lighting while the lighting levels are checked at various points of the station
- platform works using hand tools and task focussed lighting.

When?

Works will take place as follows:

- Saturday 14 and Sunday 15 December from 6am to 6pm each day
- Monday 16 to Thursday 19 December from 6pm and midnight each night (four nights)

In addition to station accessibility upgrade works, track maintenance works will be carried out at and around Morningside station on Saturday 21 and Sunday 22 December from 6am to 4:30pm each day (two days).

Where?

Works will be occurring at Morningside station on the platform and within the station precinct.

Impacts

Lighting on the platform and station precinct

Minimal noise expected

Weekend and late night works

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work towards building you a better station.

Works may be subject to change due to weather conditions and operational requirements.
