

Temporary power outage

Strathpine station

Friday 17 January 2020

As part of the Strathpine station accessibility upgrade project, Queensland Rail will be changing the station's power supply.

A power outage will take place from **9.30am until 2.30pm on Friday 17 January 2020**. While the power is out, the station office building, ticketing machines and *go* card touch on facilities will not be available to use.

We apologise for any inconvenience and appreciate your cooperation as we work to improve your station.

Please note: When ticket and *go* card facilities are unavailable during works, please touch on or off at the first available opportunity. If you experience any unusual charges to your *go* card, please contact TransLink on **13 12 30**.

For more information, please see station staff, call **13 16 17** (business hours) or email customerfeedback@qr.com.au
