

Strathpine station accessibility upgrade

WORKS NOTICE

Night and weekend works – scheduled track closure

4am Saturday 6 to 1am Monday 8 April 2019

As part of the Strathpine station accessibility upgrade, continuous works will be undertaken at the station from **4am Saturday 6 to 1am Monday 8 April 2019**.

These works will be undertaken during a scheduled track closure, when there is no rail traffic and the overhead power is switched off. During this time, rail replacement buses will operate from Station Street (opposite the library).

The western carpark will be closed, but pedestrian access through the carpark to the temporary stair-only footbridge and South Pine Road level crossing will be maintained. Whenever it is safe to do so, the temporary footbridge will be open for cross-corridor pedestrian access.

Please follow directional signage and take care around the work zones.

Residents near the station may experience some noise associated with construction activity and truck movements. Mobile lighting towers will be used, as required, during night works.
