

Temporary closure – western carpark

Saturday 19 to Monday 28 January 2019

To allow for construction access as part of the station accessibility upgrade, the western carpark will be unavailable from **9am Saturday 19 to 7pm Monday 28 January**.

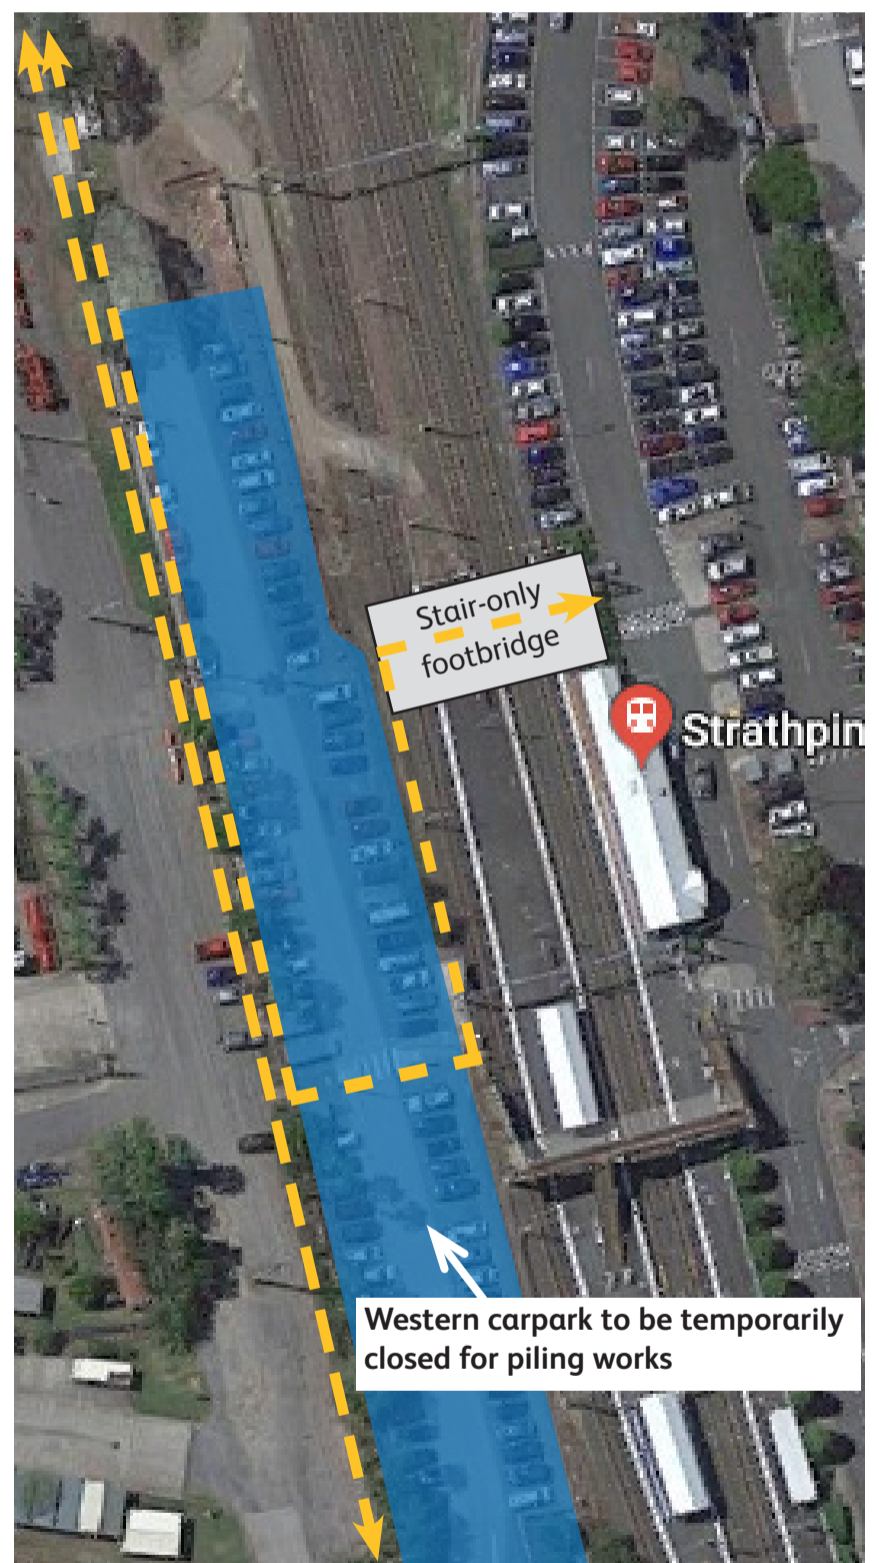

The station will operate as usual and services will be unaffected. The eastern carpark will remain open.

Customers are requested to assist us by removing vehicles from the western carpark by 9am Saturday 19 January.

An accessible pedestrian path between Nicol Way and South Pine Road will be maintained at all times and the temporary stair-only footbridge will be open.

If you require assistance with station access please call **13 16 17** or text-only **0428 774 636**.

We have scheduled these works during the school holiday period when patronage is reduced. We appreciate your cooperation and apologise for any inconvenience as we work to improve your station.
