

# Roma Street to Corinda

1 February to 28 February 2017

 Queensland Rail

## Signals Upgrade Project

As a valued neighbour, we are committed to keeping you informed about work Queensland Rail is doing in your area. This notice is a four-week look ahead outlining planned work for our Signals Upgrade Project and approximate locations, so you are fully informed.

The nature of this work is such that there will be little to see, but there will be construction noise and traffic impacts, particularly around those points where we require access to the rail corridor.

We apologise for any inconvenience and thank you for your understanding while we dig trenches, lay cables, move overhead electrical wires and install new signalling equipment on the line between Roma Street and Corinda.
