

# Works notification

## Shorncliffe station

### Why?

Queensland Rail will undertake weekend works at Shorncliffe station during a planned track closure of the Shorncliffe line.

Works include the removal of the existing ticket office roof which contains asbestos. For the safety of our customers and community, there will be no services available at the station during this time. The carpark will also be closed to customers during this time.

Rail replacement buses will be operating on the Shorncliffe line from the first train Saturday 19 to the last train Sunday 20 October. Customers of the Shorncliffe line will be able to catch a rail replacement bus from the location shown in the map below.

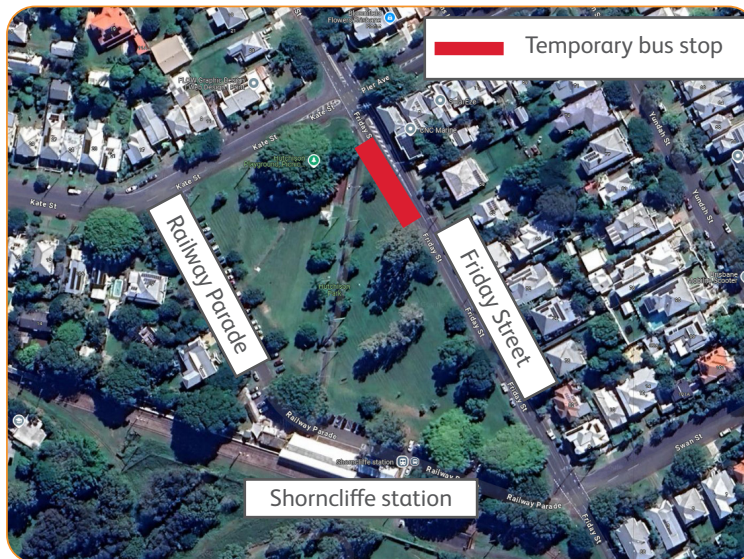

### When?

From 6am to 5pm on Saturday 19 and Sunday 20 October.

### Where?

Shorncliffe station precinct including platforms and carpark.

### Impacts

Additional truck and vehicle movements

Use of hand tools

Weekend works

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work towards building you a better station.

Works may be subject to change due to weather conditions and operational requirements.
