

Temporary partial carpark closure

Monday 27 January to Monday 3 February 2020

To support the station accessibility upgrade, the western carpark will be partially closed from **4pm Monday 27 January to 6am Monday 3 February**.

The carpark closure will be used to position a crane and trucks for the safe removal of the temporary platform structure.

Please assist us by removing vehicles from the northern end of the western carpark by **3am on Monday 27 January**. Pedestrian access will be maintained during works.

The station footbridge will be closed from **9am to 3pm on Saturday 1 February**.

We thank you for your patience and consideration during this time as we work to improve our station.
