

Toowoomba Range Clearance Upgrade

Works notification – August 2018

Queensland Rail is continuing work on the Toowoomba Range Clearance Upgrade project. This project involves increasing the height of 11 heritage listed tunnels between Toowoomba and Brisbane to ensure more exporters can use rail services. The project will help support the growth and prosperity of Queensland's agricultural sector.

For the safety of our workers and to minimise the impacts to freight and passenger services, the majority of works will be carried out during scheduled track closures.

In early August, works will occur at two locations between Ballard and Blue Mountain Heights. Please see the map overleaf for more information.

Overview of work

Location	Dates and hours of work	Type of work
Tunnel A	From 6pm Friday 3 until 6am Tuesday 7 August (continuous works)	Removal of existing tracks and ballast, excavating material from within the tunnel and the approaches to the tunnel portals, laying of concrete track slabs and installation of new tracks. This will involve: <ul style="list-style-type: none">• use of small construction equipment, including excavators and small mobile cranes• a generator• lighting towers at tunnel entrances• the delivery of materials and machinery• light vehicle and truck movements, including reversing beepers and flashing safety lights.
Tunnel B	From 6am until 6pm Saturday 4 August	Install steel supports to existing retaining wall near tunnel portal. This will involve: <ul style="list-style-type: none">• use of small construction equipment, including mobile cranes• a generator• the delivery of materials and machinery• light vehicle and truck movements, including reversing beepers and flashing safety lights.

Vehicles and machines will access the rail alignment via Murphy's Creek Road, between Ballard and Blue Mountain Heights, opposite Morley's Road.

Queensland Rail is aware noise and lighting from such operations can cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption.

We thank you for your patience as we work to improve our network.
