

Toowoomba Range Clearance Upgrade

Works notification – May 2018

Queensland Rail is continuing works for the Toowoomba Range Clearance Upgrade project. This project involves increasing the height of 11 heritage listed tunnels between Toowoomba and Brisbane to ensure more exporters can use rail services. The project will help support the growth and prosperity of Queensland's agricultural sector.

In early May, works will occur at a number of tunnels located along the West Moreton rail line between Murphy's Creek and Spring Bluff.

Works will be carried out on during day shifts (6am to 6pm) from Saturday 5 May until Monday 7 May 2018

Overview of work

Location	Dates and hours of work	Type of work
Spring Bluff	From 6am Saturday 5 until 6pm Monday 7 May (Day shifts only)	Installation of culverts and drainage infrastructure. This will involve: <ul style="list-style-type: none">• use of small construction equipment, including drill rigs and small mobile cranes• use of a generator• lighting towers at tunnel entrances• the delivery of materials and machinery• light vehicle and truck movements, including reversing beepers and flashing safety lights. Access to this location will be via the project site office, located at McCormack Drive, Spring Bluff
Murphy's Creek	From 6am Saturday 5 until 6pm Monday 7 May (Day shifts only)	Installation of culverts and drainage infrastructure. This will involve: <ul style="list-style-type: none">• use of small construction equipment, including drill rigs and small mobile cranes• use of a generator• lighting towers at tunnel entrances• the delivery of materials and machinery• light vehicle and truck movements, including reversing beepers and flashing safety lights. Access to this location will be via Donnelly's Road, Murphy's Creek

Queensland Rail is aware noise and lighting from such operations can cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption.
