

# Wilston station refresh

## October 2017

Queensland Rail is committed to providing minor upgrades at 10 locations across the Citytrain network to improve amenities and provide cleaner, safer stations as a key outcome of the 'Fixing the trains' action plan. This includes Wilston station, which will undergo a refresh during October 2017.

The works at Wilston station will include minor platform improvements, landscaping, replacement of signage and an industrial clean. During this period, temporary amenities will be in place while improvement works are undertaken to the existing toilets.
