

SEQ Rail Stabling Program - Woombye footpath concrete works

CPB Contractors is carrying out works to pour concrete for the Woombye stabling facility's footpaths between **Thursday 24 November and Wednesday 30 November 2016 (excluding Sunday)**. **This work will commence from 6am each day** to reduce heat stress in the concrete. Some activity is likely to commence around 5am with workers arriving to site and preparing for the concrete works.

Overview of work

Location	Dates and hours of work	Type of work
Woombye stabling facility construction site, between Back Woombye Rd and Taintons Rd	From 6am to 12pm each day, from Thursday 24 November until Wednesday 30 November 2016* (contingency to Saturday 3 December 2016)	Concrete works will involve the use of: <ul style="list-style-type: none">• A concrete truck and concrete pump• Hand tools.

* *weather and construction conditions permitting*

The Project Team will endeavour to minimise the impact of works on neighbouring residents as much as possible. This includes:

- Toolbox talks with work crews to remind them of out-of-hours work protocols e.g. no unnecessary shouting, whistling, beeping car horns
- Using only the required and quietest possible equipment for these works.

We appreciate your patience during the construction period and will continue to update you as work progresses.

Who can I contact?

If you have any questions or would like to register for more information, please contact the Project Team on 1800 783 334 (free call) or stabling@qr.com.au. During out of hours activities CPB Contractors can be reached on 1800 783 334 (press 1).
