

Night works Banyo station

What?

Queensland Rail will undertake overnight platform works as part of the Banyo station accessibility upgrade.

Activities include the installation of safety fencing.

We apologise for the late notification of these activities, due to a schedule change.

When?

Overnight works (up to two nights), each night from 6pm until 6am the next day:

- Monday 12 February 2024
- Tuesday 13 February 2024.

Where?

Work will occur at Banyo station, including:

- station platforms
- station carpark, rail corridor and site compounds
- footpaths and road reserve (including lane closures and traffic management as required for safety - St Vincent's Road, Royal Parade and Tufnell Road).

Impacts

Moving and unloading equipment on-site, trucks with flashing lights and reversing beepers

Lane closures and traffic management

Overnight works

Fencing installation, use of hand tools and machinery, construction noise

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Banyo station. Works may be subject to change due to weather conditions and operational requirements.

If you would like to receive electronic copies of our works notices, please sign up at queenslandrail.com.au/EmailNotification
