

Nambour station accessibility upgrade

Amended notice Night works – July 2016

As part of the Nambour station accessibility upgrade, **precast concrete coping works** will occur over four nights from **Friday 8 to Tuesday 12 July 2016, between the hours of 7pm and 6am.**

Scheduled night works

Location	Dates and hours of work	Type of work
Nambour station	<ul style="list-style-type: none">7pm on Saturday 2 July to 6am Tuesday 12 July <p>(over 4 nights)</p> <p>Note: Dates amended from previous Works Notice.</p>	<ul style="list-style-type: none">Transport of precast concrete coping units from Civic Way to the platformInstallation of precast concrete coping units on platformDelivery and installation of structural steel for the new platform awningUse of cranes, large equipment, machinery, light towers and hand toolsMovement of construction vehicles with reversing beepers.

As part of this work, traffic management controls will be in place on Civic Way.

Residents and businesses adjacent to Nambour station may experience some noise from truck movements and construction activity. Mobile lighting towers will be used during night works.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption. Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.

Keeping you informed
