

Nambour station accessibility upgrade

Night works – June/July 2016

As part of the Nambour station accessibility upgrade, **structural steel works** will occur **nightly** from **Sunday night 19 June** to **Friday night 1 July 2016**, between the hours of 7pm and 5am (the next morning).

Works will include the delivery and installation of structural steel to the new platform awning.

Scheduled night works

Location	Dates and hours of work	Type of work
Nambour station	<ul style="list-style-type: none">Sunday night 19 June to Friday night 1 July 2016 7pm to 5am each night (over 13 nights)	<ul style="list-style-type: none">Transport of structural steel components from Civic Way to the platformInstallation of structural steel awning on platformUse of cranes, large equipment, machinery, light towers, hand tools and construction vehicles with reversing beepers.

As part of this work, traffic management controls will be in place on Civic Way.

Residents and businesses adjacent to Nambour station may experience some noise from truck movements and construction activity. Mobile lighting towers will be used during night works.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption.

Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.
