

SEQ timber bridge replacement – Guilfoyles Gully

Scheduled works – 30 April 2016

Queensland Rail is replacing a series of ageing timber rail bridges on the Ipswich to Rosewood line to improve reliability, operational safety and efficiency of services.

Upcoming activities for this project include a planned track closure on **Saturday April 30 2016** at the Guilfoyles Gully rail bridge site.

Overview of planned works

Location	Dates and hours of work	Type of work
Guilfoyles Gully rail bridge	<ul style="list-style-type: none">4am to 4pm on Saturday 30 April 2016	<ul style="list-style-type: none">Track closureInstallation of splay and guard railsUse of large equipment, machinery and vehicles

For the safety of workers and the community, please follow the instructions of traffic management personnel and drive to the changed traffic conditions. Access to local properties will be maintained at all times.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption.

Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.

The project team will be available during the continuous works on **0407 159 141**.

For more information, please contact Queensland Rail's customer feedback team on **13 16 17** (between 8am and 5pm, Monday to Friday) or email **communityengagement@qr.com.au**.
