

## Sadliers Crossing bridge upgrade Road closure – November/December

Queensland Rail is replacing a series of ageing timber rail bridges on the Ipswich to Rosewood line to improve reliability, operational safety and efficiency of services on the rail corridor.

A full road closure is required at the Sadliers Crossing bridge at Grace and Dixon Streets to facilitate the installation of stormwater drainage infrastructure.

Location	Dates and hours of work	Type of work
Grace and Dixon Streets (near Sadliers Crossing rail bridge)	<ul style="list-style-type: none"><li>7am Monday 30 November 2015 through to 5pm Wednesday 2 December 2015</li></ul>	<ul style="list-style-type: none"><li>Full road closure</li></ul>

Traffic management will be in place for the safety of motorists and pedestrians. Motorists are reminded to observe these changes and that roadwork speed limits are enforced. This may result in some traffic delays and we appreciate your patience.

Pedestrian access will be maintained during this road closure.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort is being made to carry out these works with minimal disruption.

Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.
