SEQ timber bridge project
Scheduled works – August and September

Queensland Rail is replacing a series of rail bridges on the Ipswich to Rosewood line, in South East Queensland. Under this program, ageing timber bridges will be replaced with steel and concrete structures to improve reliability, operational safety and efficiency of services on the rail corridor.

Upcoming activities for this project include the mobilisation of equipment and materials to the Karrabin rail bridge site in preparation for construction activities.

Overview of work

<table>
<thead>
<tr>
<th>Location</th>
<th>Dates and hours of work</th>
<th>Type of work</th>
</tr>
</thead>
</table>
| Karrabin-Rosewood Road, Karrabin rail bridge | • From 31 August 2015  
• 7am to 5pm, Monday to Saturday | • Vehicle movements and noise  
• Site establishment  
• Materials delivery |
| Sherman Road                      | • From 31 August 2015  
• 7am to 5pm, Monday to Saturday | • Vehicle movements (site access, equipment and materials delivery) |

This work involves the establishment of the work site in preparation for construction activities. Access to site will be from Sherman Road. Traffic management will be in place for the safety of motorists and pedestrians.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption.

Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.
