Cannon Hill station accessibility upgrade

The Cannon Hill station accessibility upgrade is part of the State Government’s $357 million investment to upgrade stations across the South East Queensland network, making them accessible for all customers.

About the project
Queensland Rail is upgrading Cannon Hill station to improve accessibility and make it easier and safer for customers to use.
As part of the Queensland Rail Station Accessibility Upgrade Program, South East Queensland’s rail network is being progressively improved to ensure stations and platforms can be accessed via paths, ramps or lifts, without the need for stairs.
Improvements to the station will include:
• a new footbridge with lift access
• raised platforms at assisted boarding points
• upgraded hearing augmentation loops and tactile surfaces
• upgraded security cameras and lighting
• new wayfinding and platform signage
• a new bicycle enclosure.
Main construction is expected to start in August 2020.

Project progress
In the lead up to main construction, the following works have recently been carried out:
• overhead line upgrade
• ongoing design of the station upgrade
• ongoing community engagement.

Upcoming works
Customers and the local community can expect to see the following activities taking place, in the coming weeks:
• additional early works
• closure of approximately 28 carparks in the Barrack Road carpark for construction, for the duration of the upgrade
• contractor site establishment
• start of main construction works.

Construction impacts
During the station upgrade, construction activities may include:
• changed parking and traffic conditions for safety
• noise associated with heavy machinery
• temporary changes to access paths throughout the station precinct and surrounding areas
• increased vehicle movements near works
• the use of mobile lighting towers (for night works).
Normal working hours are 6.30am to 6.30pm, Monday to Saturday.
The local community will be given advance notice of construction activities likely to cause impacts, including after hours work (nights, Sundays and public holidays).
We thank you for your patience and cooperation as we build you a better Cannon Hill station.
